

## AIMS AND SCOPE OF THE JOURNAL

“Swastik - Journal of Indian Wisdom”, an international and open access, quarterly e-journal is committed to publish original research papers, case studies, perspectives, essays, articles, book reviews, on Indian Wisdom. Journal will promote scholarly exploration of topics in Indian Hindu studies, promoting new work in intentionally neglected areas, alternative perspectives, and the exchange of information. The Journal supports critical inquiries, and historical investigations into all aspects of Indian traditions. Journal encourages papers that have cross-disciplinary relevance. The journal aims to act as a platform for constructive interdisciplinary research which will link the wider community of scholars.

Authors are responsible for obtaining permission from the copyright holder to use copyrighted material in articles published in Swastik - Journal of Indian Wisdom.

One can site the papers giving due credit to author and the general.  
Also email the citation to author and the journal.
